## **PURPOSE**

### **Of United Women in Faith**

United Women in Faith shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

### **UWF Mission**

United Women in Faith seeks to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education so they can inspire and impact local and global communities.

### **UWF Vision**

We are a powerful, fearless force driven by God's love and united in sisterhood. With a focus on women, children and youth, we act for justice and transform communities.

### **UWF Action**

Bold action, like faith, takes courage. Our bravery is inspired by God's love and our powerful commitment to improve the lives of women, children and youth. United Women in Faith works for justice through compassionate service and advocacy to change unfair policies and advocacy to change unfair policies and systems that harm women, children and youth -- from racial and gender injustice to economic inequality, climate issues, and more.

### **Purpose of the reading program is to encourage United Women in Faith to:**

- Expand understanding of and participation in God's mission.
- Increase sensitivity to all human beings—their needs, interests, and concerns.
- Encourage critical thinking about issues facing humanity today.
- Grow in understanding of Scripture as it relates to Christian faith in contemporary life.
- Enhance self-knowledge and act from that knowledge.
- Strengthen involvement in local and global Christian mission.

The reading program encompasses books from 2016 to 2023 reading program. Watching Faith Talks and watching these movies and documentaries will also count toward the Reading Program:

- 1) Just Mercy
- 2) The Hate U Give
- 3) Pushout
