

FIVE STAR GIVING

The first and most important financial responsibility of United Methodist Women is support of all mission programs through Mission Giving. The FIVE STAR certificate is earned when a contribution has been made to all these five channels of Mission Giving. This certificate can be proudly displayed showing that your unit supports United Methodist Women and their Mission work nationally and globally.

1. **PLEDGE TO MISSION**: The local or district group is responsible for agreeing on the amount of its Pledge to Mission each year.
2. **SPECIAL MISSION RECOGNITION**: An individual, local or district can honor a special person with a certificate and pin.
3. **GIFT TO MISSION**: A variety of Mission Cards are available to send to that special someone. The minimum is \$5.00 and the treasurer is responsible for keeping a supply of the cards.
4. **GIFT IN MEMORY**: Gift acknowledgment cards are available to send to a family or friend in memory of their loved one.
5. **WORLD THANK OFFERING**: Spontaneous additional gifts are given out of gratitude for God's abundance and in celebration of the joys of life.
